Get simplified pricing for high performance connectivity

Getting your business connected with Lumen Dedicated Internet access has never been easier. We have simplified pricing so it's easy for you to see the menu of options and choose what's best for your business. And you can accelerate your savings when you add other qualifying Lumen services.

Here are examples of the rates you can get for 100 Mbps of Dedicated Internet Access:

- \$900 per month at off-net locations
- Accelerate your savings to as low as \$625 per month at off-net locations when you add other qualifying services such as on-net access or SD-WAN

All pricing includes free installation and requires minimum of 5 qualifying locations with a 36-month agreement.

Contact your Lumen account representative today to see how we can accelerate your savings with simple pricing for Dedicated Internet Access and other Lumen services.

Offer, example rates, services and speeds may not be available in your area. Rates and offer exclude all applicable taxes, fees and surcharges. Offer available to eligible business customers and requires purchase of new eligible services at a minimum of five qualifying Lumen serviceable locations in the continental United States only with a signed 36-month term agreement. Early termination fees will apply as set forth in customer's agreement. Offers cannot be combined with other promotions or offers and may require customer credit approval and deposit. Lumen may change, cancel, or substitute offers and services, or vary them by service area at its sole discretion without notice. Listed speeds vary due to conditions outside of network control, including customer location, equipment, access through a wireless connection, and are not guaranteed. See lumen.com/InternetPolicy for additional network performance information. Offer available for a limited time only. Additional restrictions, terms and conditions apply.
